

XOLOITZCUINTLE CLUB USA

Championship Points and Top Xolo of the Year Awards

Championship Points:

Five points is the maximum number of points that can be won at any one event. In order to earn points your dog must be awarded Winners Dog, Winners Bitch or Best of Variety/Breed with competition at the breed level. Points are earned depending on the number of dogs or bitches that are six months of age or older, that are present, shown and were defeated. Any dogs under six months of age are not counted.

A total of 15 points must be obtained with two 'major' wins (a major win is 3 or more points) under two different judges, plus one or more points under a third judge. Therefore your dog needs to win under at least three different judges.

A minimum of one win, earning at least one or more points, must be won at an XCUSA event or an XCUSA sponsored or supported event to achieve an XCUSA championship title. XCUSA championship titles and ranking points will only be awarded to dogs registered with XCUSA.

Breed - Championship Conformation Points:

Number of Dogs: *	1	2	3	4	5	6+
Points Awarded:	0	1	2	3	4	5 (max)

*Includes dog awarded Winners

To determine the number of championship points earned by a dog awarded WINNERS, total all the dogs in competition which the dog defeated directly or indirectly, for the highest of the following official breed awards: Winners, Best of Winners, Best of Breed or Best of Opposite Sex and then consult the schedule as set forth.

Note: A venue must offer Winners and Best of Winners competition to combine sexes when tabulating points. At these venues all dogs defeated in Best of Breed/Variety competition will count toward championship points.

In addition, the following Championship points are awarded for Group and Best in Show level competition.

- **Group 1 - 3 points (competition required)**
- **Best In Show/Specialty - 5 points**
- **Reserve Best In Show - 1 points**

A dog or bitch may earn no more than 5 points in total for any single show. Breed, Group and Best in Show points combined.
